EDUCATION

University of Houston

Expected: May 2028

B.S. in Computer Science, Minor in Management Information Systems & Mathematics

GPA: 3.93

Relevant Coursework: Data Structures, Algorithms, Computer Organization and Architecture, Data Science & Machine Learning

EXPERIENCE

Columbia Sportswear

Aug 2024 – Present

Retail Sales Associate

Cypress, TX

- Provided personalized customer service and product recommendations to drive sales
- Maintained clean, organized, and visually appealing merchandise displays
- Accurately operated POS systems to process sales, returns, and payments

Cy-Lakes Cleaners

Aug 2023 – Aug 2024

Retail Sales Associate

Cypress, TX

- Tracked and managed customer orders with accuracy using POS systems
- Resolved customer issues, building problem-solving and communication skills
- Collaborated with team members to ensure smooth business operations

PROJECTS

Real-Time Chat Web App | *React, Firebase*

- Developed a real-time chat application using React and Firebase, enabling seamless user communication with instant message updates
- Integrated Firebase Authentication to support secure user sign-up, login, and session management
- Utilized Firebase Storage for handling image uploads, allowing users to share media within chats

Expense Tracker Web App | *React, JavaScript, HTML, CSS*

- Built a simple expense tracker application using React.js and React Hooks for efficient state management and dynamic rendering
- Utilized Styled Components to create a modular, reusable, and responsive UI that adapts seamlessly to different screen sizes
- Designed a modular component architecture, improving maintainability and scalability of the codebase

Portfolio Website | *HTML, CSS*

- Incorporated interactive features (e.g., smooth scrolling, hover effects) to enhance user experience
- Gained hands-on experience with web development best practices, including semantic HTML and modular CSS
- Implemented mobile-friendly design principles to ensure cross-device compatibility

TECHNICAL SKILLS

Languages: HTML/CSS, Python, JavaScript, C++, Java

Frameworks: Node.js, Flask

Libraries: React, Three.js

Tools: VS Code, Git, Firebase, IntelliJ, Eclipse

ACTIVITIES

CougarCS

Member

- Attended guest lectures and tech talks to stay informed on industry trends and innovations
- Participated in workshops and tutorials to strengthen skills in web development
- Practiced problem-solving through leetcode style challenges and peer discussions
